#### AN ADVENTURE ON THE CHESTER CHARLES II

Guest will board a 141-passenger vessel that will transport our group across the waters of Lake Itasca. Listen as our expert guide explains the importance of this freshwater lake that feeds into one of America's most historic and powerful rivers. As the vessel glides across the glacial lake, images come to mind of Native Americans paddling in birchbark canoes.

#### ITASCA STATE PARK TOUR

Enjoy the ride as we explore Lake Itasca, discovering the historical significance and changes within the park through the years. Brief stops at Preachers Grove and Peace Pipe Vista afford picturesque views of the lake through 100-year-old-pines and hardwood trees, including Minnesota's largest white pine tree, measuring a staggering 55 feet in diameter!

*Note: Guests who arrive earlier in the day and do not wish to wait at the airport for the transfer, can take a taxi to the Loews Minneapolis Hotel where the bellman will happily store your luggage safely so that you can explore downtown Minneapolis while awaiting your transfer to St. Cloud. The motorcoach will make a stop at this hotel at 4:30PM.*
